

NICK AND EMILY

Hello! We are Nick & Emily, a loving couple residing in Massachusetts, 30 minutes south of Boston. We have created a warm, welcoming, and accepting environment that is perfect for expanding our family through adoption.

In our free time we enjoy going on adventures with our 10yr old Basset Hound Vinny and spending time with family and friends. We also enjoy watching TV & movies, exercising, traveling, taking pictures, and cooking meals together. These activities allow us to create lasting family memories.

Nick brings his expertise as an Administrative Director; ensuring stability & security for our future child(ren). Emily worked as a Senior Care Companion for years & is currently seeking part-time work within the local community.

We are described as adventurous, empathetic, intelligent, thoughtful, creative, friendly, loyal, & generous: qualities that we believe will shape a nurturing & supportive home for our future little one(/s).

We have always wanted to be parents and adoption has always been part of our family plan. We tried for years to conceive a biological child including undergoing multiple rounds of IVF, which were unsuccessful. Adopting was always something we both shared as a passion, not a last resort, but feeling as if we could be the forever home that a child needs & wants. We are so hopeful & dedicated to create this journey & new adventure and we can't wait to welcome a child(ren) into our home.

Our Family and Friends

We have close relationships with our families, especially our nieces and nephews. We enjoy spending time with our friends and families whether it's at our home, a family function, or our family beach home down the Cape.

Home and Community

We bought our home in 2019 and love our neighborhood. It is a caring community with families, children, and pets. We live a short walk from the town center and also a daycare center with two playgrounds. We enjoy spending time in our backyard as well as working on home projects such as painting, cleaning, and home improvements. Our dog Vinny is a local celebrity and knows all of the neighbors near and far. We also love hosting our families and friends for holidays and birthday celebrations. We enjoy decorating for holidays, especially Halloween.

Our Adventures

We enjoy traveling and taking day trips with Vinny to state parks and beaches. Some of our favorite trips include Atlantis in the Bahamas, New York City, and the Jersey Shore. We occasionally enjoy going out to dinner and going to concerts, and we are big Celtics fans so we try to go to at least one game every season.
