

# ALI & CINDY

**WE ARE ALI AND CINDY—A LOVING COUPLE WHO DEEPLY VALUES FAMILY, ADVENTURE,  
AND HAVING A WARM, JOYFUL HOME FULL OF LOTS OF LAUGHTER.**

We care deeply about each other and our friends and family. We have a passion for putting goodness into the world, and helping others keeps us grounded. As a bi-racial, multi-ethnic family, honoring our cultures is very important to us. We embrace this through travel, shared experiences, and the traditions we celebrate with those we love. Writing this is both emotional and hopeful—we are filled with gratitude for the opportunity to grow our family through adoption.

# OUR STORY

We have always shared the dream of growing our family through adoption.

We met 12 years ago, with Ali living in New York City and Cindy in New Jersey. We have been married for 8 years and have built a beautiful life together in the Hudson Valley area of New York. Ali was born and raised in New York City, where she developed her love of culture and the arts. Cindy grew up in rural New Jersey, spending much of her youth working on a farm, which shaped her grounded, nurturing nature.

Ali oversees the IT Dept for the Corcoran Group. Cindy is a dedicated family law attorney who brings empathy, compassion, and understanding to her work.

Together, we've created a life centered on stability, love, and support—and we are so excited to share that with a child.

## Ali about Cindy:

Warm, resilient, thoughtful, supportive, witty, loving  
I was drawn to Cindy's kindness and empathy. She has a special way of making people feel seen and cared for. She will be a deeply nurturing, funny, patient, and loving parent

# ABOUT EACH OTHER

## Cindy about Ali:

Driven, loyal, protective, thoughtful, and adventurous. I was drawn to Ali's intelligence and heart. She shows up fully for the people she loves. Ali will be a loving, supportive parent who encourages confidence, and joy.

## HOBBIES/INTERESTS

We enjoy traveling, exploring new restaurants, spending time outdoors, and discovering new experiences. Ali loves technology, innovation, and planning experiences. Cynthia enjoys connecting with people, baseball, and meaningful moments with loved ones. We look forward to including a child in everything—from family outings and vacations to simple everyday moments like watching TV together, cooking, family game night or exploring the neighborhood. We will be one unit, “always on to the next adventure together.”

## OUR FAMILY

We have 7 nieces and nephews, and according to them, we are the greatest aunts in the world (and who would argue with that). Being Aunts has been one of our greatest joys. Cindy comes from a large Italian family and has an identical twin sister and 2 other siblings. While she loves and is close with all her siblings, Cindy is extremely close to her twin, Michelle, and Michelle's 3 children. Ali has one younger sister who is her best friend; their bond is grounded in being there for each other through life's ups and downs. And the most important family member is our dog Benny, a 7-year-old Shih Tzu who might be the cutest guy that walks the planet. Our most treasured times are with family and friends.

# HOME SWEET HOME

Three words to describe our home: **Cozy, joyful, inviting.**

Our home is filled with laughter, music, good energy, New York Yankee baseball, and a sense of comfort. A child will enjoy a safe, playful environment, nearby parks, and the feeling of always being supported and loved in a diverse community

# EVERYDAY LIFE

At the end of each day, we enjoy unwinding together—whether that is sharing a meal, watching a show, or simply talking about our day. A perfect weekend includes exploring something new, attending a local street fair, and catching up with family and friends. Our ideal vacation blends adventure, culture, and time to recharge.

# BENNY

We have always shared a deep love for animals. Growing up, we each had pets of all kinds—from rabbits and fish to cats, dogs, and even a salamander. Today, our family includes Benny, our sweet 7-year-old Shih Tzu, who is truly cherished. He is part of everything we do and is cared for with so much love and attention. Loving Benny has only deepened what we already knew about ourselves—when we love, we love fully. That same unconditional care and devotion is something we are so excited to share with a child.

# HOLIDAYS & TRADITIONS

We celebrate birthdays and milestones with intention and joy. Typically, these celebrations include gathering with loved ones, sharing meals, and creating moments that become lasting memories.

We are excited to create new traditions with a child—ones that they will carry with them throughout their life.

# FAITH

First and foremost, we are guided by kindness, respect, and compassion in everything we do. We don't follow one particular faith; Cindy was raised Christian, and with Ali having both Jewish and Asian traditions. We plan to raise a child with strong values, giving them a foundation in all our traditions while also encouraging them to explore and understand their own beliefs and identity. We will celebrate and honor both of our cultures so they feel connected to all parts of their story. Above all, we believe that kindness and compassion matter most, and those principles will always guide how we raise our child.

# OUR PROMISE TO YOU

We hope that the birth parents know how grateful we are to them. We promise to: Provide a safe, stable, and loving home, Encourage curiosity, learning, and confidence, Support your child's dreams and individuality. Always speak of you with respect and gratitude. Be present, patient, and nurturing parents. Surround your child with a strong, loving community. Raise your child with compassion, integrity, and joy

Thank you for your bravery. Thank you for entrusting us. Thank you for giving us the gift of building our family. While this is an exciting journey for us, we do not take for granted the sacrifice you are making and the strength required to make this decision, and we hold that with the utmost respect. No matter what you decide, we wish you peace, support, and care. With much gratitude, Ali & Cindy
